A HANDFUL
OF THINGS
WERE HANDLED
LAST CHAPTER.
WE SHOULD
GIVE A HAND
TO THE
HANDSOME
BYULT FOR
PROVIDING A
HANDICAP TO
KING FOR HIS
HANDWORK.

THIS KEY
IS FOR MY
SAFETY-

IN OTHER
WORDS,
A NEGOTIA-
TION.

HAVEN'T
I TOLD
YOU
ALREADY?

-SIGH-
HE DOESN'T
DO NEGOTIA-
TIONS.

IF WE
REALLY
WANTED IT,
WE'D JUST
TAKE IT
FROM
YOU!

WAIT,
KING,
NEGOTIATING
WITH KING
WAS NEVER
PART OF
THE PLAN.

IS THIS
SOME LAST
DITCH
EFFORT?

IT'D BE
FINE IF IT
WAS THAT
SIMPLE.

(FIGHTING)
IS JUST A
GANG IN
P-GAME.

HE'S
RIGHT,
KAMEO...

I DON'T
KNOW WHAT
YOU'RE
THINKING,
BUT KING
ISN'T A
MAN YOU
TRY TO
HAGGLE
WITH...

HE'S
THE ONLY
ONE—

THIS GUY
KILLS FOR
FUN!

BUT KING
DOESN'T PLAY
FOR MONEY LIKE
EVERYONE
ELSE!

I CAN'T
FORGIVE
HIM!

HE
DISMEMBERED
MY BROTHER'S
RIGHT IN FRONT
OF ME!

I NEED
TO KILL HIM!

BUT IF I THROW
THESE GRENADES,
THE SARGENT
BASTARD WOULD
DEFINITELY BE
ABLE TO ESCAPE
WITH HIS SAGL...

MY ONLY
CHANCE IS TO
DO IT WHEN HE
CAN'T USE HIS
TELEPORTATION—

IF
THAT'S
THE
CASE...

NO
ROOM,
HUH?

SO PLEASE
KAGAME,
DON'T MESS
THIS UP.

I NEED TO
AIM FOR THE
MOMENT HE USES
HIS SAGL TO
[CUT ME OFF]

I STILL DON'T
THINK YOU
UNDERSTAND
THE VALUE OF
THIS KEY.

THEN
I'LL DO
THIS.

KING IS NOT
A GUY YOU CAN
JUST CASUALLY
MESS WITH!

PURRADO.

MY SAGE,
[BRIGHT
PE-TRACTOR]
CAN ONLY
TELL WHEN
SOMEONE'S
LYING...

FROM IT I
CAN'T TELL
WHAT HE'S
THINKING...

I DON'T
THINK A
BRAT LIKE
YOU COULD
EVER HOLD
THE KEY TO
THE REAL
TREASURE!

GO AHEAD,
SHOOT IT!

SO KING
REALLY IS
CORRUPT
ABOUT
KANAME'S
WORD...

WELL
THIS IS A
SUSPECT
—

I DON'T
THINK A
BRAT LIKE
YOU COULD
EVER HOLD
THE KEY TO
THE REAL
TREASURE!

GO AHEAD,
SHOOT IT!

I SOLVED
THE
MYSTERY!

WHILE
I'M AT IT,
THE CODE
FOR THE
DIAMOND
RING IS
888001

HAI!
YOU'LL
JUST HAVE
TO BELIEVE
ME.

THE
QUESTION IS,
WHETHER
OR NOT KING
MILLEN'S
WILL

C'MON
KING, WHAT'S
WITH ALL
THE FULL-
SITTING?

WHILE I'M
AT IT, THE
CODE FOR
THE DIAMOND
RING IS
888001

I SOLVED
THE
MYSTERY!

SINCE
WE'RE IN
SHIBUYA,
888 DEFIN-
ITELY
MEANS THE
HACHIMO
STATUS.

THE
DIAMOND'S
CODE IS
OBVIOUSLY
SPLIT INTO 2
PARTS, 888
AND 001

AFTER
CLOSER
INSPECTION,
IT MUST
BELONG
TO...

I FOUND
THIS KEY
SITTING
ON THE
STATUE.

SO I
ASKED
MYSELF,
WHAT
DOES THIS
KEY
UNLOCK?

YOU MUST
KNOW THAT
THE COORDS
FOR THE
OTHER RINGS
ARE THE
COORDINATES
FOR SHIBUYA
STATION.

BUT IF
YOU THINK
THE
TREASURE
IS IN HERE,
THEN YOU'RE
SORELY
MISTAKEN.

IN THE END,
YOU'VE PROVEN
THAT MY SHITTY
ABILITY WASN'T
USELESS AFTER
ALL...

KARASU
CREATE AN
OPENING, EVEN
FOR A SPLIT
SECOND!

AND
I'LL KILL
YOU!

SO IT'S
A DEAL!

YEAH... BUT
IF EVEN A
WORD OF THAT
WAS A LIE, I'M
GONNA KILL
YOU...

WITH THIS,
I CAN KILL THE
ASSHOLE—

THANK
YOU
KANAME...

BUT THIS
IS THE ONLY WAY
TO WIN!

FOR THE

THERE
MIGHT BE
A REASON
FOR THIS...

AND IT'S
STRANGE
HOW THE
HORROR
ISN'T SIMPLY

IT HAS
RELATION
TO P-GAME
BUT NOT TO
GIRL

I'M GONNA

I'M GONNA

HAI

I'VE ALREADY
FORGOTTEN
YOUR
ONLY FACE!

CONGRATS!

BUT
THEN YOU
REPEATED
PAU-PA-HUH.

WHICH MEANS
YOU ALREADY
UNWITTINGLY
AIDED
YOUR FRIEND.

HALF OF
WHICH WILL BE
SHARED WITH
PARTICIPANTS
IN YOUR
FRIENDS LIST.

FIRSTLY, THE
REWARD FOR
WINNING,
4000GPTS.

IN ADDITION
TO THE REWARD
FOR SURVIVING
THE EVENT,
837GPTS, YOU
HAVE ATTAINED
8837GPTS

NOW THEN,
KAMME-HEA,
SINCE YOU
COMPLETED THE
EVENT, YOU HAVE
BEEN AWARDED
A FEW FABULOUS
PRIZES!

ACCEPT
THEM
WITH
HONOR!

THOSE WHO
WIN DIFFICULT
EVENTS WILL BE
GIVEN A SPECIAL
ENTITLEMENT.

BUT
THE POINTS
ARE ONLY A
SECONDARY
PRIZE!

A PRIVILEGE
GIVEN TO
YOU AND YOU
ALONE!

A PRIV-
ILEGE?

MY
WISH?

OF COURSE
I'D WANT
TO LEAVE
THIS STUPID
GAME!

OF COURSE,
I CAN ONLY
DO WHAT IS
IN MY POWER.

SO GET
WITH IT,
WHAT'S
YOUR
WISH?

WHAT?

THERE ARE
TWO WAYS
TO EXIT
DARWIN'S
GAME.

THOUGH I
CAN'T GRANT
YOUR WISH
BY TREATING
IT AS A

SORRY,
IT'S JUST
NOT
POSSIBLE.

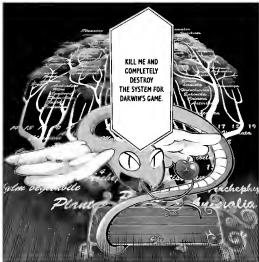

WHICH IS
THE END
RESULT I'M
HOPING FOR.

MY GOAL
WILL BE
ACCOMPLISHED
AND DARWIN'S
GAME WILL
AUTOMATICALLY
END.

SOMEONE

AND THE
OTHER?

These
piggies left
their parents
and decided
they would
each build
a home to
live in.

Once
upon a time,
in a certain
place, there
were three
little pigs.

game#22

and the
third built
a house
of bricks.

the
second
built a
house of
wood.

The first
piggie built
a house
of straw.

it tore
down the
wall with
a sledge-
hammer
and made
mince meat
out of the
piggie, while
sticking its
tongue out.

And,
when the
wolf finally
arrived at
the house
of bricks...

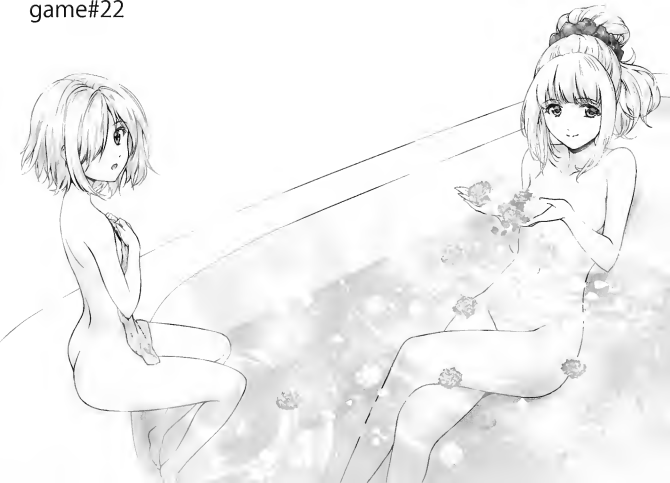

A big
bad wolf
came.

and with
a huge puff
blew away the
house of straw
and swallowed
the piggie whole,
while sticking
its tongue out.

Afterwards,
it set the
house of
wood on
fire, roasting
the piggie
whole, while
sticking its
tongue out.

game#22

So it really was a story Shuka-san made up...

I checked Japan's housing conditions and sorted them.

Thatching is a no-no, wooden constructs are weak to fire, and brickwork isn't completely earthquake-proof.

Wrong! No points for you, Shuka-san. What I wanted to tell you through that story was—

So that when I buy a house, there won't be a single flaw in its safety, nyaa~

SFX: Beep

For me... If it's okay, I would like a house that has a garden... I've always lived within a mansion, so...

I... I see...

Since we'll be starting up a clan, we need a base you know!

But will be a member as well for now, so you know you can make a request, right?

Sh? Shuka-san is buying a house?!

Oh... A building?

There's no garden, but wouldn't the rooftop suffice?

On that note, the best choice so far is this building here!

Obviously,
a *company*
can't be
bought out,
though.

If you
can fork
out the
cash, most
things are,
well...

**YOU CAN
EVEN BUY
AN ENTIRE
BUILDING?**

A base
inside P-
Game isn't
an ordinary
hangout
spot!

I told you
safety is
essential,
didn't I?

We don't
have that
many people
though...

But, do
we need
a whole
building?

so large
clans buy
suitable
buildings.

In Japan,
simply put,
being fortified
means having
at least a
steel frame
building,

That's rather hard to say.

U-Um... where are the other choices located?

SINCE HE HAS A TON OF FOLLOWERS AND NEVER SHOWS HIMSELF, IT'S A PAIN TO KILL HIM!

THERE'S SERIOUSLY NOTHING MORE DISGUSTING THAN THAT DAMN ONE (KONG) BEING INTIMATE WITH MY KANAME!

Shinjuku is under the control of the *Danjou* Boxing Club.

and the *Uwabara* Clan in Ikebukuro is powerful!

SFX: Knock Knock

IT
SOUNDS...
RAATHER

intend on

Eh...
Well...

WITH "RILL"
AS HILL!

PLEASD

YOU, RAIN-
CHAN!

WANN I
WOM I

It's read

written with
the character

My name...
is kind of
problematic
since you
can read its
kanji wrong,
though...

Note: 300 mil Japanese Yen is about 2.5 mil US Dollars

D-Gene's management...
has a power that
keeps concealing
the truths behind
these incidents to
such an extent.

One month
has passed
since then, but
there hasn't
been much
progress in our
investigation...
From
what we
know,

And by
using mind
control via
cellphones as a
medium,

they can
alter the
memories of
those who
were in the
vicinity

It's a
transmission

transcends
our modern
technology

Using
it allows
them to

corpus

The
police are
powerless!

With no corpses
left behind and no
witnesses either, no
matter how many
people die, they're
just treated as
missing instead.

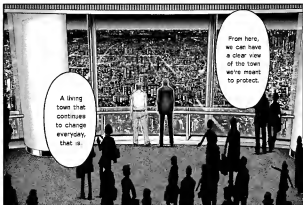

SFX: Confused Cower

A living town that continues to change everyday, that is...

From here, we can have a clear view of the town we're meant to protect.

Which means... I'll be dismissed as well.

Our investigations and so being absorbed by the Shibuya Explosives & Terrorism Investigations Unit--

I think we're well aware that the household vandalism in the Shibuya terror-note have been largely confirmed, but...

Eh?

Even the investigations unit of yours that's collaborating with me and dealing with the property damage incidents is completely disbanded this week.

Tk, Nobu | He suddenly changes from polite to casual, below.

SFX: Door Slide

Not
all of my
members are
necessarily
involved in
D-Game

How
many clan
members do
you have
in total?

Gotta
 admit, your
family is
huge, as I
expected!

It was
originally
an ordinary
Kickboxing
gym that I
started.

The
establishment
of the Danjou
Boxing Club
differs from
other clans.

Of the
participating
players... My
core members
sum up to
only 26.

I think this
sounds silly,
once... but "martial
artists..."
were living
beings who...
seriously
aspired to
become the
world's
strongest.

That
is, why
did you
join the
game?

Could I
ask this
as well?

If you're a martial artist, you'd definitely consider that at least once.

But as you'd expect, when you're up against a blade, are your techniques still applicable?

Likewise, what if it were a firearm instead?

IF IT'S
ONE-
ON-ONE.

Inukai,
how are his
results?

Franky,
not bad!

Though it's
only been
a month, and
he's only been
learning the
basics and
physical culture

and if we
exclude pinning
techniques, he
could probably
have a reasonable
match with our
buddies of the
same generation!

How should
I say it?
His reflexes
and resolve
are great.

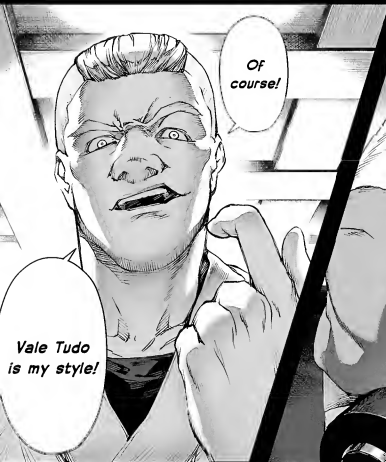

AN INS-
TRUCTOR
PAROXY!

Thanks
a bunch!

Of course!

*Vale Tudo
is my style!*

*So
"full power"
means using
a Sigil?*

or
whether
you can
surpass
firearms
unarmed...

Whether
you can
surpass
blades
unarmed.

You can't
even fend
against
Japanese
swords,
let alone
firearms.

And
why is
that?

Of course,
it's not
only that—

It's because of
the difference
in the distance
necessary for
a killing blow.

No matter
how much
you've trained
in martial
arts, the
best you can
deal with are
only against
knives.

Note: 40 km/h is about 25 ft/s and 120 km/h is about 75 ft/s

Also see: <http://en.wikipedia.org/wiki/Zendo>

Therefore, this inference can be made:
Since unarmed combat is too slow,
it cannot fend against weapons—

It's natural
for those
who haven't
seen the
crown of the
martial arts

to
be under
that sort of
impression
too.

10
Years
Ago

Vladivostok,
Russia

The
first choice
is being
a security
guard or a
bodyguard.

For a new
criminal artist
like me there
aren't many
ways to earn
money.

At the
time, the
Vladivostok
I lived in was
a town which
appeared to
be a gathering
place for
mafias around
the world.

so there
were plenty
of openings
for body-
guards.

It was one of the most scarring jobs in the world, but the pay wasn't bad.

It was a job where I protected the mafia from the mafia.

Clearly, it was suitable for me.

despite me basically being the next Parmesan Hercules statue...

Simply put, my job was to pressure the area with my large build.

In addition, the job was extremely simple.

I only needed to stand quietly beside my client.

Hitmen...
you say?

It seems
they've hired
an assassin
in our own
country.

Asses...
are you also
aware... of my
current disputes
with the irritating
Chinese, the
*Black Dragon
Society*?

So, I've
decided
to have our
boss conceal
himself for
a while.

Right,
now I'm
collecting intel
to the best of
my ability, but
I'm not sure
what weapons
they'll be
using.

What's
their modus
operandi?
Sniping?

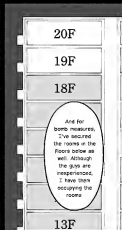

Well, for now, we've secured the top floor of this suite for one week.

Just in case, please leave the curtains shut.

Since it faces the ocean, there's hardly any concern of sniper fire, but...

SFX Gun Shots

Ba'ba!

I'm a
martial artist.
I don't use
instruments!

In the
end, your
enemy is the
"no holds

not me.

"Vale
Tudo" is
often mis-
interpreted,
but—

originally,
it was a term
Japanese jiu-jitsu
artists used when
they issued a
challenge to an
opponent for an
anything-goes
match

So that
means
too bad
if it's an
accident?

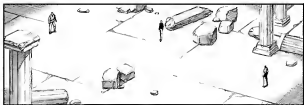

Inten-
tional,
huh-?

and
intentional
killing,
illegal?

But,
yeah

How about
we make the
time limit 20
minutes, and the
destruction of
the building...

It's just like
Inukai said!

Not bad...!!

huh..? Me being

A gunslinger with good reflexes is a martial artist's natural enemy, but...

He really dodges well...

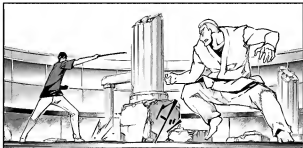

YOU CAN'T USE GUNBLADES ANYMORE, YOU KNOW?

CAN YOU REACT AT THIS DISTANCE?

UGH...

You...
Just what is
your opinion
of me?

I do not

Now don't
go selling
our boss
Kaname out
now, okay?

You're
rather
familiar
with guns,
aren't 'cha,
anymore...

Well...
While my injury
was healing, I
wasn't screwing
around.

An arms
dealer...

No way...
You mean
Lee's store?
That Chinese-
man's a
total ripoff,
though.

That gun
and blade were
procured from
my arms dealer
acquaintance.

This
guy's the

it comes to

ing fighting
power!

I will recommend you a more decent broker, next time

I can only think of one person who would sell you old Communist Bloc weapons, so...

I wouldn't want to make enemies out of you...

You really know a lot, don't you? From what little I just said...

However, the issue is—

Well anyway, there were results from his strengthened fighting power

That damn Kaname's completely cornering Denjou—san!

Since he was able to distance himself nicely,

Obviously, an SMS with good handling is effective against a martial artist.

If he does not correct that, there is no knowing how our alliance talks will end up, you know.?

At the moment, the scope of his power is arbitrarily being revealed, while he is still unable to draw out Mr. Denjou's Sigi.

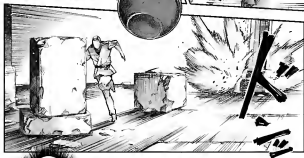

Shit..!

It's great that I steered clear of him, but I don't have any trump cards..!

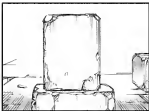

I'll try the grenades again-

WAIT! WHAT
DO YOU MEAN
"KANAME WAS
KIDNAPPED"??

YOU
GUYS...
JUST KEPT

WATCHED IT

**I
KNOW
THAT...!**

Kidnapping him
means they don't
intend on taking
his life immediately,
but... We can't
take this lightly,
either...

Hey hey...
At any rate,
right now,
this is about
our boss.

No,
actually,
she seems
to be an
existence
resembling
a master.

It seems
Xuelan is an
acquaintance
of Mr.
Dangou—

When the
"Untouchable"
appeared, I
suspected...
whether Mr.
Dangou had
set a trap for
us, but...

In regards
to that, I
too am not
sure why...

So what
happened
in the end?

You guys went
to ally with the
Dangou Boxing
Club. Why did
Xuelan... the
#1, show up?

**I
COULDN'T
SWORN
SHE WAS
P-GAME'S

I'm not
fond of
stalling.

I prefer
pointless
discussions
where
people are
indecisive.

Head on
back? Even
if we did,
there wouldn't
be any room
to consider,
you know?

We
get along
quite well,
don't we,
Kaname?

That's the
first time our
opinions are
in sync!

Those two
seem really
close. All of
a sudden.?

And...

I only
"head on
back" once
I determine
my spoils
of war.

No way!
When did
she get
behind
me!?

Wha-

Ern...
That illusion
where you
see yourself
being killed...
Could it be
that person's
Sigil?

She was
a genuine
phantom...

I'm
ashamed...

I... didn't
even realize
what I was
let with...

Nitori: No, your Bulshit Detector just wasn't working.

That
power is
not her
Sigil.

Well... From
our point of
view, it looks
no more than
a Sigil though.

According
to Mr. Danjou,
it seems she
used that skill
even before
D-Game.

When we—
are exposed
to her killing
intent, we are
forced to
visualize our
own death.

Well...
I am unable
comprehend it,
but I suppose
that sort of
explanation
can do for
now...

In Mr. Danjou's
opinion, it seems
that the technique
to manipulate the
atmosphere with
killing intent is
an old Asian art
that's been widely
passed down.

Note: He means that there's no need to fight Xuelian right now.

!

I know!
But I'm just
halfway..!

Hey!
Hurry
up! That
woman's
gonna
return!

I'm not
a Swiss
Army knife,
dude...

If I had
to bring
one thing to
a deserted
island, I'd
have to be
Kawaii!

I know if
Your Big
really is
concerned,
ain't it?!

YOSH IT
SHARPENED

Er, how
should I
say it...

What
did?

LURK

Oh...?

So if you're
happy enough
to be down for
it, I don't mind
giving birth to
your kids.

If so,
moreover,
our family will
be peaceful
in the next
generation
as well!

That was
just as I
was thinking
about wanting
a family
successor
soon, too!

My
skill... isn't
something
that can
be passed
onto just
anyone.

3. Note: She actually says "clothes"

Then, I don't
care whether
I become your
subordinate or
fiancé or slave
or whatever!

My clan,
"Sunset Ravens"
will show you
that we can
hold on without
killing anyone!

For me, I've
survived at this
time especially
because I didn't
kill! So, I have no
intention of falling
behind somebody
who has no other
skill apart
from killing!

*This is
a game,
Xuelan!*

YOUR
WORDS...
ARE SURELY
NOT A LIE,
RIGHT...?!

YOU
FINALLY
SAID IT,
KANAME..!

At any rate,
I planned on
getting rehab
soon, so...

You... Is
your arm
okay!?

OKAY!
WE WILL
COMMENCE
A CLAN
WAR WITH
KOSLAY-SAN,
STARTING
NOW!

OH RIGHT!
I'LL USE
O-SAMA'S
CLOAKING
FEATURE!

Su-san,
please start
an *Encounter*
with Kusuri!

But... will
it be okay
using a gun
during the
day? You
know, the
police...

THIS WILL BE
SUNSET HAVEN'S
FIRST BATTLE!
LET'S GO!!

WOO
and

Why...
is our clan
named the
"Sunset
Rebels"?

You guys
went on and
decided it
when I was
not even
there...

By
the way,
I know it
is kind of
tough asking
questions
right now,
but...

Note: The Aang say "Word Function", with 'function' meaning a mathematical one or one in programming. It sounds really close to "World Order", doesn't it?

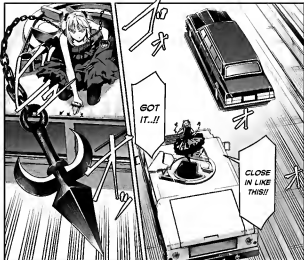

REAR
ITS SPEED
PROPPED
WILL CATCH
UP SOON
LIKE THIS

That's
fine. This
is sufficient
already."

In that case, if I suppress her, they'll have no choice but to surrender, correct?

I'm gonna kill you now so it's too late for to you give up, you hear?

You're... the bitch who laid her hands on Kaname, right?

GO FUCK YOURSELF!

Plus, that Kaname guy said he was madly in love with me and whatnot, you know?

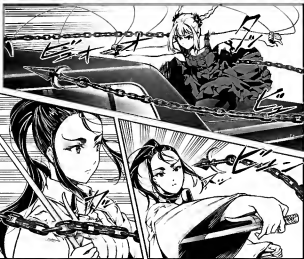

My my, so this young girl doesn't realize the difference in power with her enemy's?

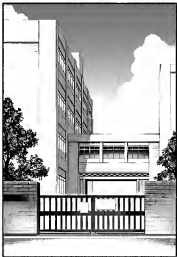

I can't
kill you
because I
promised.

Mmph...
At least
maintain
your
conscious-
ness!

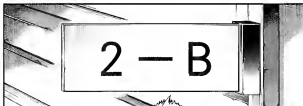

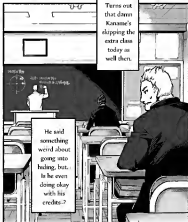

Despite what all
this time, even
I considered
bragging about
getting a license
and a bike...

Well... It's just
some worn-out
scooter I got
for 20,000
Yen, but...

Note: About \$171 USD

Ahh...
Turns out
that damn
Kaname's
skipping the
extra class
today as
well then.

He said
something
weird about
going into
hiding, but...
Is he even
doing okay
with his
credits?

YOU...
KNOW
SUDOU
KANAME,
RIGHT..?
